- **St:Eriks Gymnasium - Art major, focus on animation** | 2019

About me

Optimistic, creative, and empathetic, I thrive as a team player while also being self-driven and ambitious. I'm currently studying Interaction Design at Stockholm University, alongside working as a Graphic Designer on an EU-funded project at SU. I also serve as President of Särimmers Kultingar, a subsection of the student union at the Department of Computer and Systems Sciences.

Professional Experience

Stockholm University | Part-time | Graphic designer 202512 - Present

Graphic Designer, Illustrator & Animator for an EU-funded project at Stockholm University, creating visual and animated content for educational courses focused on AI and health.

SOOR AB | Part-time | UX - Designer 202406 - 202512

Worked as a UX/UI Designer on a forest fire response system, responsible for interface and user flow design, user research, and usability testing.

INCA AB | Full-time | UX - Designer 202404 - 202406

Completed my graduation project at INCA AB, assessing an existing software system and prioritizing its features.

Your Brand Travel AB | Full-time | Intern UX-designer 202308 - 202404

Supported the launch of Trip&Stuff through usability testing, prototype refinement, design solutions, pitch material, and social media content.

Chas Academy | 3rd President 202302 - 202309

Sensera AB | Part-time | Junior UX - Designer 202102 - 202309

Assisted with UX/UI projects while studying, gaining hands-on experience in workshops, concept development, graphic design, and animation for game development.
